

MN PREVENTION ALLIANCE WHAT'S IN IT FOR US?

Connection:

Formal connection to other coalitions throughout the state to network, problem solve, and share lessons learned; access to organized and updated contact information and the MN Prevention Alliance (MPA) email listserve

Training:

Access to professional development opportunities, including quarterly presentations during MPA meetings

Collaboration:

Join committees and work on common issues with other coalitions across the state to tap into our collective power and expand our reach

Tools & Info Sharing:

Access to tools, templates, and other resources via an online database; request or share resources with others

BENEFITS OF FULL MEMBERSHIP

*Free access to MPA meetings (for up to 2 coalition staff)

*Voting rights on MPA Decisions (1 vote per coalition or individual member)

*Free access to professional development opportunities (e.g. quarterly meeting presentations, member-only webinars, topic-specific calls, etc.)

*Free access to tools, templates, and examples of prevention-related documents, presentations, and other materials that help us do our work
